Refunds

Due to the ensemble nature of the class, students enrolled are expected to commit to the entire duration of the program (September 10, 2018- June 1 2019.)

Attendance

There will be no makeup classes due to student absenteeism. Some classes may be rescheduled or relocated.

Parents are expected to read emails and written notices to be aware of those changes so their child is in attendance when required.

“Due to the complexity of this performance, it must be understood that any child who auditions and receives a lead role in Back to the 80’s or What about the 70;s must be prepared to fully commit to all rehearsals from September to the final show dates.”

Students should make class a priority and do their best to attend every class. Classes and rehearsal during the months of April and May are mandatory. Students are expected to attend all Monday afternoon/ evening rehearsals along with added Sunday rehearsals for these two months. There will also be extra rehearsals in May just prior to the performances.

Volunteer Policy

To keep tuition affordable and maintain the quality of programs it is expected each family will sign up to perform a specific task, either in fundraising or help with the production duties. The task will require three (3) hours of time. Each family will submit a cheque made payable to Chalkboard Theatre for \$30.00 at the parent information evening and the cheque shall be post dated to May with Re: Volunteer Deposit. Shall the volunteer task be fully completed, the cheque shall be returned to the family when the season is complete. Shall the volunteer task not be completed, the family shall understand that the cheque will be cashed.
